Handcrafted solid bronze architectural hardware available in seven patina finishes.

Handmade and sand-cast of solid bronze, Rocky Mountain Hardware is a unique line of door, cabinet, kitchen and bath hardware and accessories. From front entrance sets to cabinet knobs, robe hooks to window cranks, decorative tile to their latest line of sinks and faucets, Rocky Mountain Hardware compliments a broad range of architectural styles. Through a specialized patina process that speeds up the natural oxidation of bronze, all of Rocky Mountain Hardware pieces are available in exquisite hues without the use of powder coatings, paints, or lacquers.
